ORDER:

According to paragraph 7 of the main recommendations and conclusions of the Development Commissioners' Conference of May 1952 communicated in Development Memorandum No.57285 P&D/VI/52-1, dated the 30th May 1952, the Central Govt. will advance to State Govts. every quarter year its share of the expenditure on Community Projects based on a certified statement of expenditure by the Development Commissioner. To enable the Government to furnish the certificate of expenditure re erred to above, the Collectors were requested in Public (Community Projects) Memorandum No.207/52-2, dated the 28th June 1952 to furnish a monthly statement in the form attached to the memorandum of bills drawn by them under the heads of accounts specified in G .O.No.607 Finance dated the 23rd May 1 52. The Government now direct that the Central share of the expenditure on community Projects should, when recovered, be credited, as deduction of charges under the expenditure head, if recoveries are affected in the same year in which the expenditure is incurred and as receipts under 'XLVI. But pro forma accounts will be kept by the Public (Community Projects) Department in order to determine correctly the total amount of recovery to be made each year from the Central Govt. towards their share of the expenditure on Community Projects for the years.

If the Govt. of India grant loans to this State for relending to private eprsons or bodies, etc., infuther furtherance of the scheme of the Community Projects, they will be credited under 'N-Public Dept. III. Loans from the Government of India'. Disbursements of loans by the State to private persons will be debited to a separate detailed head 'LOans under the Community Projects' to be opened under "Loans and Advances by the State Government - f.
